

Revised ERP Rates from 28 August 2023

News Releases 22 Aug 2023

[ERP rates](#)

The Land Transport Authority (LTA) has completed its latest review of Electronic Road Pricing (ERP) rates.

2 Based on LTA's monitoring of traffic conditions in July 2023, traffic has built up at various stretches of expressways. To manage congestion at these locations, ERP rates will be adjusted by \$1.00 with effect from 28 August 2023 at the following 3 locations during the 4 specified time periods.

Time Period	Current ERP Rates*	ERP Rates** w.e.f. 28 August 2023
PIE (Adam and Mount Pleasant) (Set of 2 Gantries)		
9:00 - 9:30	\$0.00	\$1.00
KPE (ECP) after Defu Flyover		
8:30 - 9:00	\$5.00	\$6.00
Westbound PIE before Eunos		
8:30 - 9:00	\$1.00	\$2.00
9:00 - 9:30	\$0.00	\$1.00

*ERP rate per Passenger Car Unit (PCU)

**Rates for other time slots at previously announced gantries remain unchanged

3 Rates for the other previously announced timeslots/gantries remain unchanged. With these adjustments, the number of locations and timeslots charged is still lower than the number charged pre-COVID.

4 LTA will continue to monitor traffic speeds and congestion levels closely and assess if ERP rates need to be further adjusted.
