The Land Transport Authority (LTA) has completed its latest review of Electronic Road Pricing (ERP) rates.

2. Based on LTA's monitoring of traffic conditions in July 2024, traffic has built up at various stretches of expressways. To manage congestion at these locations, ERP rates will be adjusted by \$1.00 with effect from 9 September 2024 at the following 3 locations during the 3 specified time periods.

Time Period	Current ERP Rates*	ERP Rates** w.e.f. 9 September 2024
AYE After Jurong Town Hall towards City (Set of 3 Gantries)		
7:30 - 8:00	\$2.00	\$3.00
MCE Eastbound before exit to Central Boulevard and at slip road from Marina Boulevard (Set of 2 Gantries)		
18:30 - 19:00	\$0.00	\$1.00
KPE (ECP) after Defu Flyover		
8:00 - 8:30	\$3.00	\$4.00

*ERP rate per Passenger Car Unit (PCU)

**Rates for other time slots at previously announced gantries remain unchanged

3. Rates for the other previously announced timeslots/gantries remain unchanged. With these adjustments, the number of locations and timeslots charged is still lower than the number charged pre-COVID.

4. LTA will continue to monitor traffic speeds and congestion levels closely and assess if ERP rates need to be further adjusted.
