The Land Transport Authority (LTA) has completed its review of Electronic Road Pricing (ERP) rates for the June 2021 school holidays.

2 Taking into account lower traffic volume after the implementation of Phase 2 (Heightened Alert) measures including full Home-Based Learning from 19 May 2021, we will reduce ERP rates across all gantries and time periods by \$1. With these revisions, 13 half-hour timeslots will have ERP rates reduced to \$0, and there will be no charges on the AYE and KPE.
