The Multi-Ministry Taskforce has just announced an elevated set of safe distancing measures, including full home-based learning and the closure of most physical workplaces, from 7 April 2020 until 4 May 2020 (inclusive). Members of the public are strongly advised to stay at home and avoid going out unnecessarily. Once these measures are implemented, we expect an immediate and significant reduction in traffic volume.

2 LTA had earlier announced a set of reduced ERP charges to be implemented on 6 April. In view of the elevated set of safe distancing measures, LTA will cease ERP charging at all gantries from Monday, 6 April 2020 at 0000 hours.

3 We will resume the charging of ERP when the elevated set of safe distancing measures are lifted. LTA will continue to monitor the situation closely. In the meantime, we strongly urge all Singaporeans to adhere to all safe distancing measures.
