The Land Transport Authority (LTA) has completed its latest review of Electronic Road Pricing (ERP) rates.

2 Based on LTA's monitoring of traffic conditions in June and July 2022, with further easing of community and workplace measures from 26 April, traffic has built up at various stretches of expressways. To manage congestion at these locations, ERP rates will be adjusted by \$1.00 with effect from 1 August 2022 at the following 4 locations during the 8 specified time periods.

Time Period	Current ERP Rates*	ERP Rates** w.e.f. 1 August 2022
AYE after Jurong Town Hall towards City (Set of 3 Gantries)		
8:00 - 8:30	\$1.00	\$2.00
8:30 - 9:00	\$2.00	\$3.00
17:30 - 18:00	\$1.00	\$2.00
Southbound CTE after Braddell Road & PIE Slip Road into Southbound CTE (Set of 4 Gantries)		
8:00 - 8:30	\$2.00	\$3.00
KPE (ECP) after Defu Flyover		
7:30 - 8:00	\$1.00	\$2.00
8:00 - 8:30	\$1.00	\$2.00
8:30 - 9:00	\$2.00	\$3.00
Northbound CTE after PIE (Set of 2 Gantries)		
19:00 - 19:30	\$1.00	\$2.00

*ERP rate per Passenger Car Unit (PCU)

**Rates for other time slots at previously announced gantries remain unchanged

3 As these are timeslots that are already priced today, there is no increase in the total number of timeslots or locations charged with ERP with this review. Rates for the other previously announced timeslots/gantries remain unchanged. After the adjustment from 1 August, the number of locations and timeslots charged is still significantly lower than the number charged pre-COVID.

4 LTA will continue to monitor traffic speeds and congestion levels closely and assess if ERP rates need to be further adjusted.
