

## Revised ERP Rates from 19 September 2022

News Releases 13 Sep 2022

[ERP rates](#)

The Land Transport Authority (LTA) has completed its latest review of Electronic Road Pricing (ERP) rates.

2 Based on LTA's monitoring of traffic conditions in August 2022, traffic has built up at various stretches of expressways. To manage congestion at these locations, ERP rates will be adjusted by \$1.00 with effect from 19 September 2022 at the following 5 locations during the 5 specified time periods.

| Time Period                                                                                           | Current ERP Rates* | ERP Rates** w.e.f. 19 September 2022 |
|-------------------------------------------------------------------------------------------------------|--------------------|--------------------------------------|
| <b>AYE before Alexandra towards City</b>                                                              |                    |                                      |
| 8:30 - 9:00                                                                                           | \$0.00             | \$1.00                               |
| <b>AYE after Jurong Town Hall towards City (Set of 3 Gantries)</b>                                    |                    |                                      |
| 17:30 - 18:00                                                                                         | \$2.00             | \$3.00                               |
| <b>Southbound CTE after Braddell Road &amp; PIE Slip Road into Southbound CTE (Set of 4 Gantries)</b> |                    |                                      |
| 8:30 - 9:00                                                                                           | \$3.00             | \$4.00                               |
| <b>PIE (Kallang Bahru &amp; Slip road into Bendemeer) – Set of 2 Gantries</b>                         |                    |                                      |
| 8:30 - 9:00                                                                                           | \$0.00             | \$1.00                               |
| <b>Northbound CTE after PIE (Set of 2 Gantries)</b>                                                   |                    |                                      |
| 19:30 - 20:00                                                                                         | \$0.00             | \$1.00                               |

\*ERP rate per Passenger Car Unit (PCU)

\*\*Rates for other time slots at previously announced gantries remain unchanged

3 Rates for the other previously announced timeslots/gantries remain unchanged. With these adjustments, the number of locations and timeslots charged is still significantly lower than the number charged pre-COVID.

4 LTA will continue to monitor traffic speeds and congestion levels closely and assess if ERP rates need to be further adjusted.
